You will find all proposals here. If awarded, the folder will be placed in your new project folder upon setup.

A "Links" section (or "Other Accounts") like this can be set up with permission from the primary account holder (e.g., if you are a Co-PI on his/her project but do not have a subproject of your own).

This is an example of what a grant folder looks like. Please note other account types will contain fewer folders.
